Message from the Head teacher

Message from the Head teacher

Welcome back to all children, parents and staff to the start of academic year 2019-20. Marish and Willow had much to celebrate last academic year and already this week, two further triumphs have been published. Look on the website, if you haven't yet seen the exceptionally positive letter, feeding back on Ofsted's short inspection of Marish in July 2019. Secondly, KS2 progress scores for 2019 were released on Monday 2nd September and, once again, Willow and Marish have achieved exceptional results, which will be posted on the website in due course.

None of this would be possible without the hard work of pupils and staff and the support of parents, carers and governors.

Thank you so much for all you contribute to Marish and Willow. Let's work together to make 2019-2020 just as, or even more, successful.

Mrs Denham.

QUOTES FROM OFSTED

QUOTES FROM OFSTED

'There is a strong team ethos in which everyone understands the role they have to play to secure high personal and academic standards for all pupils. One of the many strengths of the school is the commitment of all staff to inclusion. All pupils are warmly welcomed into the school's nurturing environment, in which their individual talents are recognised.'

'One of the strengths of the school is the quality of the curriculum provided for pupils. Pupils study a wide range of subjects in addition to English and mathematics. Subjects, including art, geography, history and science, are very well planned and pupils build their skills and knowledge sequentially as they move through the school. In almost all year groups, pupils' learning has breadth and depth, so they are very well prepared for the next stage of their education.

Whatever the subject, pupils' work is beautifully presented, reflecting the pride they take in their learning.'

Attendance & punctuality

Thank you for your support too, with attendance. We still have a lot of work to do and are asking for your help in trying to achieve 97% this year. As you are aware, attendance and attainment are closely linked; if your child is in school they are likely to achieve better both academically and socially.

Getting to school on time is important as well. It settles your child in for the day and gives pupils an opportunity to interact with each other before the day starts.

Please note we do not authorise holidays and urge you not to take holidays in term time.

School lunches

In order to promote healthy eating we are introducing a new playground rule. Pupils must only bring **fruit and vegetables**. This does not include any breakfast/cereal bars, chocolates, sweets or crisps.

Our school lunches provide all the nutrition your child needs and the food is made on the premises. Lunches are only £2 and are excellent value for money. Each day there is a vegetarian, meat and Jacket Potato option followed by a dessert.

Lunches can be booked weeks in advance or up to 7am on the day on ParentPay.

Swimming – Year 4

The children will have 10 sessions at the brand new Montem Centre on Thursdays. Please can you make a contribution of £10 on ParentPay. Remember swimming is part of the curriculum and an important life skill.

PGL – Year 6

There are no more spaces available:

Date Friday 15th May 2020 - Monday 18th May 2020

Location - Chateau de Grande Romaine, Paris

The children will take part in PGL activities such as rock climbing, abseiling, archery and lots of other interesting activities. They will visit the Eiffel Tower and spend a whole day at Disneyland Paris. The aim of PGL is to inspire, motivate and challenge pupils, to raise aspirations, build their confidence and support their achievement. Each day brings a new adventure and the chance to try something new with the encouragement of their friends. Forms can be collected from the office.

Year 1

This week we are meeting the Year 1 Team, with Mrs Sharma, Miss Palmer & Mrs Mustafa.

This is what they had to say:
Welcome to the Year 1 team! We are very excited to be working with your children. We have lots of exciting activities planned this year and the children have already made a smooth transition into their new classes. We are so looking forward to meeting you all the 'Meet the teacher' meeting on the 18th September where you will be informed more about the curriculum.

Key dates

Thursday 19th September	Meet the teacher
Monday 28th October	Half term
Monday 4th November	Back to school
Monday 18th November	Parents Evening
Thursday 21st November	Parents Evening
Thursday 12th December	EYFS Production
Friday 13th December	EYFS Production
Monday 16th December	Y1/2 Production
Tuesday 17th December	Y1/2 Production
Tuesday 17th December	Y3/4 Production
