

ROLL UP! ROLL UP!

Special Project

1. Design and make circus showing the acts that you might see inside.
The circus should be no larger than a shoebox.

2. Create an A3 piece of artwork in style of Andy Goldsworthy.
3. Learn a magic trick to perform to the class.
4. Make a prop that would be used in a circus. e.g. skittles, a gymnast ribbon,
5. Design and make a poster to encourage people to come to a circus.
6. Write instructions on how to tame a lion.
7. Design and make a costume that would be worn whilst performing at the circus.

Projects are due on Monday 11th November 2019
