

Around the world in 80 days

During the half term holidays, we would like you to choose at least one project.

Choose one of these great ideas for your Summer Project!

- Learn a song in a language other than English and be prepared to perform it to the class.
(For example: *Frere Jacques* - French, *O Sole Mio* - Italian, *99 Luftballoons* - German, *La Cucaracha* - Spanish...)
- Research a dance style from a different culture and create an instruction text for how to perform it, or alternatively, prepare a presentation about it to show the class.
(For example: *India* - Bollywood, *Spain* - Flamenco, *Argentina* - Tango, *Samba* - Brazil, *Gaelic* - Ceilidh...)
- Think about where you would like to stop if you could travel the world - label a world map with your journey and the stops you might take.
- Bake and bring in a small sample of your native cuisine to show the class, or alternatively, write a recipe for it!
(For example: *pizza*, *chapatti*, *samosas*, *sarmale*, *goulash soup*...)
- Make a 3D model of a hot air balloon out of paper mache.
- Create brochure for a cruise trip, describing each place you would stop.
