

## How to use Google Classroom on Xbox One & Xbox Series X/S

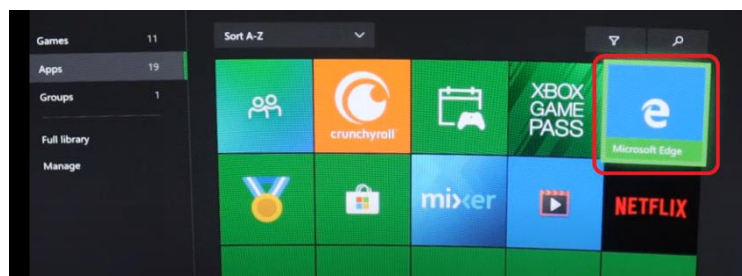

The Xbox consoles each have access to Microsoft Edge - the web browser that comes preinstalled as part of the Xbox user experience. This can be used to access Google Classroom (or another online education service approved by your child's school).

1. Plug a wired keyboard into your Xbox One, Xbox Series X or Xbox Series S via one of the USB ports on the front or back.

2. Press the Xbox button top-centre of a game controller and head to "My games & apps" in the side menu.

3. Click on "See all", scroll down to "Apps" and you will see Microsoft Edge in the icons on the right-hand side. Open it.

4. Type classroom.google.com into the URL bar at the top and log in as you would on a PC using your school Gmail account.

5. You can either use an Xbox controller to move the cursor or a separate USB mouse plugged into one of the other ports.
