

At Marish Academy Trust we
use a programme called Rtime.

Relationships to improve education

The R time programme was developed by Greg Sampson.

The three main rules of Rtime are:

Show respect and good manners at all times.

Follow instructions with thought and care.

Care for everyone and everything.

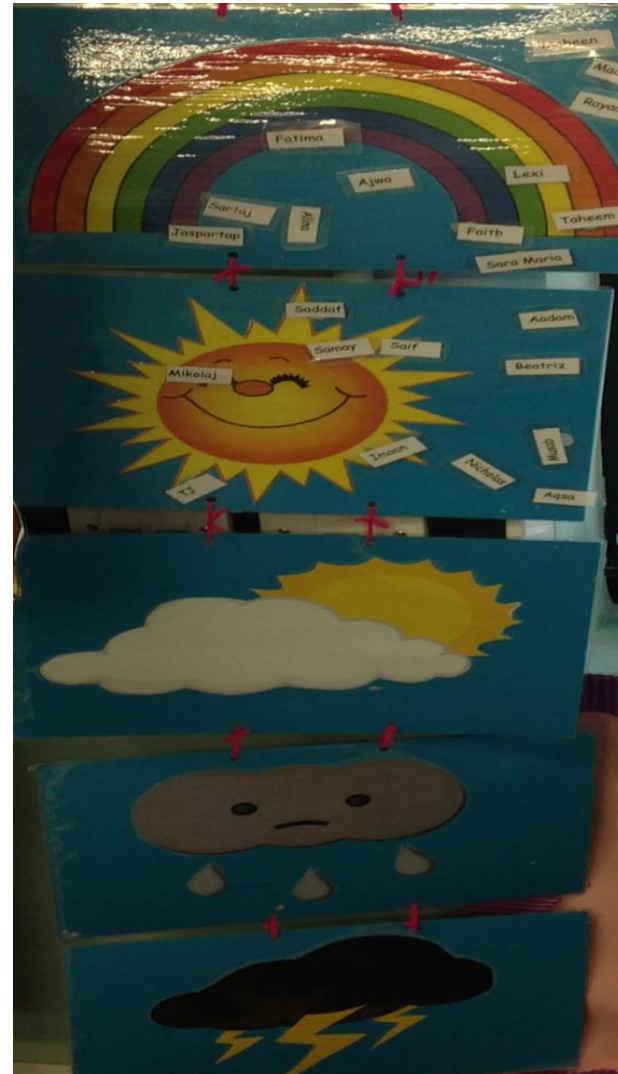

During each session the children work in pairs with a randomly selected partner. Each pair undertakes an activity. This is designed to develop courtesy and good manners as well as the skills of taking turns, cooperation, sharing and fairness.

Rtime Displays in Early Years

People fail to get along because they
fear each other; they fear each other
because they don't know each other;
they don't know each other because
they have not communicated
with each other.
