

Year 2 Curriculum

In Maths we cover a range of topics such as, addition, subtraction, multiplication, division, fractions, measurement, shape and reasoning. We use different strategies to ensure children are equipped to take their KS1 SATS.

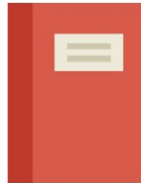

In Literacy we use the power of reading scheme. We will cover a range of books, including, The Sweetest Song, The Lonely Beast, Traction Man, The Dark, One day in Savannah and Lila and the Secret of the Rain.

In Science, Year 2 will be learning about everyday materials, working scientifically, living things and their habitats, animals including humans and plants.

In History, Year 2 will be learning about The Great Fire of London and the Egyptians.
In Geography, Year 2 will be comparing Kenya and Slough, learning about rivers and oceans and using atlases.

Reading is taught every day and children are introduced to different genres, both fiction and non-fiction. Please read with children every day and sign their reading record. Children are expected to take at least two to three quizzes per week and change their reading books two to three times a week.

The School have adopted a new scheme of work called Icompute. Children will still learn about E-safety during ICT lessons.

PE DAYS

Year 2 Marish - Wednesday and Friday
Year 2 Willow - 2S - Tuesday and Wednesday, 2A - Wednesday and Thursday

Workshops include The Great Fire of London and Egyptians. Year 2 will be going on lots of trips this year, such as the Lookout Centre, Bournemouth beach, a safari park and a trip to a chocolate shop to make chocolate.

In RE, Year 2 will be learning about Christianity, Islam and Judaism.

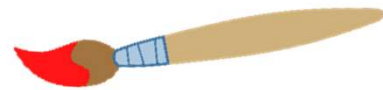

Booklets are given out every Friday for maths and comprehension. They are due in the following Wednesday.

PE

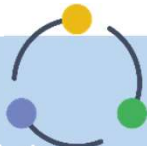

Learn Fundamental Movement Skills such as running, jumping, throwing, catching, balance, agility and coordination

- Participate in team games and learn the basics of sports.
- Perform dances using simple moves

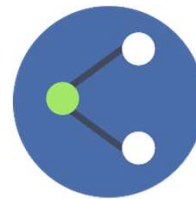

In Art, Year 2 will be learning about David Hockney, Van Gogh, and observational drawings.

In DT, the children will be learning about moving vehicles, making egyptian masks and making musical instruments.

Resilience Days will be timetabled every half term. The children focus on transferring skills such as getting active and looking on the bright side to their everyday life.
