

Special Project

Year 4

In the Spring term, the Year 4 children will be learning about
Sound!

During the winter holidays, we want you to find out about this topic at home and complete a special project to showcase what you have learnt. You can show what you have learnt by creating a booklet, poster, model, display, PowerPoint or video.

Next term, you will need to bring in your completed project, which will be displayed in the school. **The best projects will feature in the school newsletter!**

Remember to choose a topic that you find interesting and to present in a way that will be eye-catching and attractive!

Your special project is due on Monday 13th January 2025
