

World War I

1914-1918

Special Project

Year 6

In the spring term, Year 6 will be starting a new History topic: **World War 1.**

During the Christmas holidays, we want you to find out about this topic at home and complete the task below to showcase what you have learnt. You can show what you have learnt by creating a booklet, poster, model, display, Power Point or video.

Next term, you will need to bring in your completed project, which will be displayed in the school. **The best projects will go on the school website.**

Your Task:

Research and produce a project that you can present to your class based on **World War I**. You need to portray your knowledge and understanding of British, local and world history. Try also to recount the historical events from different sources. How did the most famous war in history have an impact on not only our lives, but also the lives and civilisations of the entire world?
