

# Year 1 Spring 2 Special Project

We would like you to create a Native American mask

After half term, Year 1 will be looking at Native American Art.

During the holidays, we would you to find out about this topic at home and complete the task below to showcase what you have learnt. The purpose of the project is for each child to think about the animals, colours and resources they can use to create their mask. It is up to your child how their project is set out and presented, but we have included a few examples above to give you some ideas.

Any media can be used; previously, children have used materials such as paper plates, pen, cards, pencils, crayons, wax crayons, glitter pens, felt pens, collage, and paint.

Next half term, you will need to bring in your completed project, which will be displayed in the school. **The best projects will be featured on the school website!**

**Your special project is due Friday 28<sup>th</sup> February 2025**
