

Special Project

Year 6

In the Spring term, the Year 6 children will be learning about
Light!

During the half term holidays, we want you to find out about this topic at home and complete a special project to showcase what you have learnt. You can show what you have learnt by creating a booklet, poster, model, display, PowerPoint or video.

Next half term, you will need to bring in your completed project, which will be displayed in the school. **The best projects will be featured on the school website!**

Remember to choose a topic that you find interesting and to present in a way that will be eye-catching and attractive!

Your special project is due on Friday 28th February 2025
