

Our Vision statement:

Our vision for Marish Academy Trust is that we remain a learning community without walls that does whatever it takes to meet needs. To achieve this we are committed to:

- consulting parents and listening to children:
- remaining truly inclusive primary schools that welcome people into our community, regardless of their backgrounds, ethnicities, faiths, age or skills.;
- having the highest aspirations for all pupils and staff, focusing on the life experiences we share and viewing our cultural diversity as a rich resource;
- upholding British Values and our Three Diamond Rules shown below;
- removing the barriers to lifelong learning that disadvantage creates;
- continually developing our curriculum and learning experiences to meet the individual needs of pupils who may one day be citizens of the 22nd century;
- ensuring our pupils develop the skills needed to make a positive difference to others as well as the best possible outcomes and life chances;

Indeed, Marish Academy Trust's commitment to improve even further is enshrined in **our motto 'Strive for the heights'** and through **Our Trust Strap Line:**

Work to be outstanding,

Deserve to be outstanding,

Will be outstanding!

These aspirations apply to all members of the **Marish/Willow Community** and are summed up in our ethos which is based on our three diamond rules and our values. Ask your child to explain what these mean in practice:

Three Diamond Rules:

Show respect and good manners at all times

Care for everyone and everything

Follow instructions with thought and care!
