

Special Project

Year 5

This half term, Year 5 will be starting a new Science topic: **Earth and Space**.

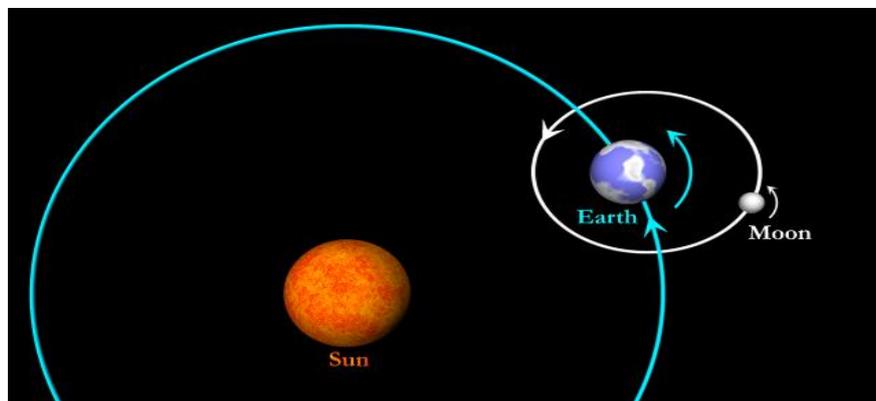

During the holidays, we want you to find out about this topic at home and complete the task below to showcase what you have learnt. You can show what you have learnt by creating a booklet, poster, model, display, Power Point or video.

You will need to bring in your completed project, which will be displayed in the school. **The best projects will be added to the Curriculum showcase at the end of the year!**

Your Task:

Choose a topic, such as: **the Earth, Moon and Sun; Day and Night; Eclipses and Seasons; Moon Phases; Stars and Planets and the Solar System.**

Remember to choose a topic that you find interesting and to present in a way that will be eye-catching and attractive.

Your special project is due on **Friday 27th February 2026**
